Top Things To Do In Zion

Get some great hiking in

Zion National Park is known for its scenic landscape and unrivaled hikes. No matter your fitness level, there are hikes here for you. Check out our Popular Zion Hikes and our Less-Traveled Zion Hikes on pages 12 and 14.

Spend a day in Springdale

Springdale is unique to our national park system in that it is almost completely surrounded by Zion National Park. So when you're in Springdale, you're right in the middle of Zion Canyon. Check out our list of shops and galleries on page 10 as well as our complete listing of restaurants in the canyon, listed in order from the park's south entrance through Springdale on the bottom of page 10.

Catch an event

Not only does Zion Brew Pub have live music every Saturday, the property also hosts a handful of events throughout the year, as do the Bit and Spur restaurant, Tanner Amphitheater, Bumbleberry Inn, Wildcat Willies, and several other locations. Check out the Events Calendar on page 6 for a list of this month's events.

Try a guided tour

Jeep, helicopter, ATV, canyoneering, horseback riding, or mountain biking, guided tours are all available. Many of these tours take you outside Zion National Park boundaries and give you a unique perspective on Zion's canyons and plateaus from surrounding areas of southern Utah. You'll find some of these services listed in the Service Guide on page 10 and 18. Also, check out ZionGuide.com for listings and ads.

Visit the east side of Zion and spend a day in Kanab

The east side of Zion is generally less crowded, making hikes more accessible and private. These are some of the most enjoyable hikes in the canyon. You can spot wildlife you won't see elsewhere in the canyon. The city of Kanab, situated east of the canyon, is full of unique attractions, like the Little Hollywood Movie Museum and the Best Friends Animal Sanctuary.

Take lots of pictures, leave only footprints

Be sure you've got extra charged batteries, smartphone cables, and memory cards so you can capture all the magic of Zion National Park. Additionally, there are numerous photo tour and guiding companies to assist you. See our Featured Services on pages 10 and 18. Thank you for visiting the Zion National Park area.

Safety Tips For Zion

Emergencies

For 24-hour emergency response, call 911 or (435) 772-3322. The Zion Canyon Medical Clinic is located in Springdale near the south entrance to the park. For hours, please call (435) 772-3226. Other medical clinics are located in Hurricane. The nearest hospitals are in St. George, Cedar City, and Kanab.

Hydrate and use refillable water bottles

It is easy to get dehydrated while hiking and walking in the desert, so pack along extra water, and be sure to take rest and water breaks on long hikes. There are a number of places to refill your water bottles in Zion National Park including the visitors' center and Zion Lodge as well as a new hydration station at the Springdale bus stop in front of The Bumbleberry Inn and Zion Canyon Brew Pub.

Be cautious near steep cliffs

Falls from cliffs on trails can result in death. Loose sand or pebbles on stone are very slippery. Be careful of edges when using cameras or binoculars. Never throw or roll rocks because there may be hikers below you. Stay on the trail. Stay back from cliff edges. Observe posted warnings. Please watch children.

Watch for Flash Floods

All narrow canyons are potentially hazardous. Flash floods, often caused by storms miles away, are a real danger and can be life threatening. You are assuming a risk when entering a narrow canyon. Your safety is your responsibility.

Tips To Minimize Your Impact

Pack it in, pack it out & use recycling bins

Each month, Zion National Park pays many thousands of dollars to haul away waste collected from garbage cans and recycling bins. Your experience and that of everyone who visits Zion Canyon can be improved by never littering and making sure you pick up any trash you see along the way. Recycling bins are placed strategically throughout Zion Park, and it is highly encouraged for everyone to use them.

Please stay on the marked trails

Hiking off trails can lead to loss of vegetation, soil compaction, erosion, and unsightly scars on the landscape. Remember, if you bring it in, please pack it out.

Go before you go

It is always a good idea to use the restroom before you begin a hike since facilities are limited to select locations. If you do need to take care of your business, please pack it back out.

Be respectful to the wildlife

Feeding, harming, or capturing wild animals is illegal and can cause injury or death to the animal. Animals can become aggressive beggars when fed.

Please leave it how you found it

It is illegal to remove anything from Zion National Park, including flowers, rocks, or anything else that you might find. Do not write or carve on natural surfaces.

General Tips For Zion

Park in Springdale and ride the shuttle

It's highly recommended that you park near one of the furthest shuttle stops from Zion Canyon's south entrance in Springdale to help minimize traffic congestion coming through Springdale, backing up from the south entrance. The shuttle stops are now numbered 1 through 9, with 9 being the final stop at Majestic View Lodge. You can almost certainly avoid traffic and assure your seat on a shuttle if you park near any of the 9 bus stops in Springdale where there's free parking on the sides of State Route 9, in a handful of designated areas, and at your hotel if you're staying overnight. See our map in the center spread for full shuttle schedule, list of stops, and both free and paid parking areas.

To avoid the crowds, go early or later in the day

Often during peak times, the park runs at capacity and has more people than the shuttle system and trails can comfortably accommodate. Consider getting up extra early or trekking out midday after the initial rush has flooded in. You'll still want to ride the shuttle.

A note about pets

Leashed pets may be walked on the Pa'rus Trail. However, pets are not permitted on any other trails, on shuttles, in public buildings, or in the wilderness. Pets must be under physical control on a leash less than six feet long at all times. The interior temperature of a vehicle can quickly warm to dangerous levels. Avoid leaving animals in vehicles. Boarding kennels are available in Rockville, Kanab, Hurricane, St. George, and Cedar City.

Tips To Maximize Enjoyment

Go on a less crowded hike

The most visited 10 to 12 hikes in Zion National Park have a lot of competition. If you'd rather not feel like you're in the line at a theme park, consider seeking out a less traveled path. Check out our newest features, Popular Zion Hikes on page 12 and Less-Traveled Zion Hikes on page 14.

Consider coming back again in the low season

Starting in the fall, the number of visitors to Zion Canyon starts to dwindle, and by December it's significantly less than in the heat of the summer. It is simply a different experience to see Zion in the winter with the snow-capped monoliths. Most hikes are still accessible and are less crowded. You can also drive your car to the Temple of Sinawava parking lot. The shuttles stop running by November and don't start back until March.

Check out Kolob Canyons and Kolob Terrace Road

With gorgeous open spaces and plenty of dirt roads to explore, Kolob Terrace Road is one of Zion's better kept secrets that you won't want to miss. As you travel along the road, you'll notice the air getting cooler as you gain elevation, and you'll find plenty of beautiful views worth stopping at for a quick photo op. The Kolob Terrace Road turnoff is in Virgin, so watch for signs. Additionally, the Kolob Canyons area offers unique views of Zion and is located in the northwest corner of Zion National Park. The Kolob Canyons section of Zion National Park is located at Exit 40 on Interstate 15, 40 miles north of Zion Canyon and 17 miles south of Cedar City.

Zion Canyon Shuttle & Parking Info

PARKING & SHUTTLE INFO

There is ample parking in Springdale, as the town is four miles long, and for 2017 much of the roadside is available for parking. It is highly recommended you park in Springdale and ride through town to the dropoff at the park entrance. By doing so you will avoid the bumper-to-bumper lines that often happen during peak days and times, and that can extend well into town. There is also paid parking on Lion Blvd, behind Whiptail Grill, and also a lot about one city block from the south entrance to the park. Other free and paid parking is coming online in 2017, watch for signs.

The average wait for a shuttle bus in Springdale is fifteen minutes or less. The wait is longer in the morning and evening, but shorter during peak hours. Shuttles will also operate on weekends in November, with additional service on Thanksgiving Day and Friday. The shuttle schedule is subject to change. Please check at the shuttle stops and online at ZionGuide.com current information.

STRUT YOUR MUTT HOPES TO RAISE \$50,000 FOR BEST FRIENDS *By Barbara Williamson*

Kanab is one of 14 communities participating in Best Friends Animal Society's Strut Your Mutt (presented by BOBS from Skechers), which brings together passionate people to raise money to save the lives of homeless pets.

Best Friends Strut Your Mutt Kanab will be held Saturday, Sept. 9 at Best Friends Animal Sanctuary from 10 a.m. to 1 p.m. The fundraising goal is \$50,000. Registration starts at 10 a.m., a walk begins at 11 a.m., and the event ends at 1 p.m.

Best Friends Strut Your Mutt Kanab features five animal organizations, all members of the Best Friends No More Homeless Pets Network.

Every day in America's shelters, nearly 5,500 dogs and cats are killed, simply because they don't have safe places to call home. But if we work together, we can reduce that number to zero. Best Friends Strut Your Mutt is an important event to help the shelters in this community save animals' lives.

Nationally, the fundraising goal is \$3 million. Each year, hundreds of partnering organizations participate in Strut Your Mutt to raise money needed to save lives in their

own communities. Together in 2016, they raised more than \$2.6 million — nearly \$1.9 of which went straight to 294

participating groups. For many partners, the funds raised during Strut Your Mutt make up a good portion of their funding for the entire year.

To get involved, start your own fundraising page, or donate to an existing team in Kanab, please visit strutyournutt.org.

Special thanks to presenting sponsor BOBS from Skechers and national sponsors Instinct, Man's Best Fan, Mini, PetPlan Pet Insurance and True Car.

Founded in 1984, Best Friends has helped reduce the number of animals killed in shelters nationwide from 17 million per year to about two million. We are determined to get that number to zero by the year 2025. Working together with you, we will end the killing and save them all. For more information, visit bestfriends.org.

ESCALANTE CANYONS ART FESTIVAL INCLUDES WILD AND SCENIC FILM FESTIVAL

The Escalante Canyons Art Festival will take place Sept. 22–Oct. 1 in Escalante. The artistic, literary, and musical gathering will showcase plein air artists painting throughout Wayne, Garfield, and Kane Counties. The event will also offer entertainment, a craft fair, workshops, two paint-outs, artist-in-residence Scott Geary, keynote speaker Tanya Winder, additional speakers, and — new this year — an evening of films curated as part of the Wild and Scenic Film Festival.

Plein-air artists will create works in oil, pastel, watercolor, or mixed media, competing for prizes valued at more than \$10,000. Artists of all abilities, experience levels, and ages may join the competition. A category with cash awards provides incentive for young artists to participate.

Two paint-outs are scheduled. In the Celebrate Public Lands Paint-Out, artists will venture onto surrounding public lands and complete a work in less than eight hours, and proceeds from sales will be donated to Grand Staircase-Escalante Partners. In the Nocturne Paint-Out, artists will paint after dark Sept. 23.

Workshops begin Sept. 19 and continue throughout the festival. Topics include fundamentals of plein air painting, pastel

painting, and creating monoprints. Single and group demonstrations will also be provided.

This year's artist-in-residence is Scotty Geary from New Mexico. Geary works full time creating and teaching art, frequently doing commissioned works for private and public spaces. During September, he will explore the front and backcountry of the monument with his paints and papers. The results of his residency will be exhibited and sold during the festival.

This year's keynote speaker is Tanya Winder, an entrepreneur, motivational speaker, vocalist, and performance poet from the Southern Ute, Duckwater Shoshone, and Pyramid Lake Paiute Nations. She is a graduate of Stanford University, and her first book, "Words Like Love," was published in 2015. She founded Dream Warriors, an indigenous artist management company. She will speak Sept. 29 at the Escalante High School Auditorium. Other speakers are scheduled to appear Sept. 29 and 30.

The Wild and Scenic Film Festival will begin Sept. 22 at dusk, screening a total of 15 films.

AUCTIONS RAISE FUNDS FOR SPRINGDALE ELEMENTARY ARTS & EDUCATION PROGRAMS

On Oct. 7, the Rotary Club of Zion Canyon will host live and silent fundraiser auctions for Springdale Elementary School's arts and education programs. Last year's auction helped

raise a record \$15,152 for the school. This year, the silent auction will begin at 4 p.m. and the live auction will start at 5 p.m. Springdale Elementary School students will perform both before and after the event.

More information about the auction or other ways to help the Springdale Elementary School arts and education programs are available on the Zion Canyon Rotary Club webpage at springdaletown.com/community/rotary-club.

REDSTONE THEATRE PRESENTS "ALWAYS ... PATSY CLINE"

Redstone Theatre is in the midst of a series of performances of the play "Always ... Patsy Cline," based on the true story of Cline's friendship with Houston housewife Louise Seger. The remaining performances will run Sept. 1, 2, 8, 9, 15, and 16 at 7:30 p.m.

Having first heard Cline on the "Arthur Godfrey Show" in 1957, Seger became an immediate and avid fan of Cline's. In 1961, when Cline went to Houston for a show, Seger and her buddies arrived about an hour and a half early and by coincidence met Cline. The two women struck up a friendship that lasted until Cline's untimely death in a plane crash in 1963.

The play focuses on the fateful evening at Houston's Esquire Ballroom when Seger heard of Cline's death in a plane crash.

Seger supplies a narrative while Cline floats in and out of the set singing tunes that made her famous, like "Anytime," "Walkin' After Midnight," "She's Got You," "Sweet Dreams," and "Crazy."

Redstone Theatre is located at 29 W. Center St. in Kanab. Tickets and more information are available at redstonetheatre.com.

Located in St. George, UT the Red Lion is in the center of many state and national parks.

GUIDE TO UTAH'S LIQUOR LAWS

If you order an alcoholic drink at the restaurant bar, don't be surprised when the bartender asks you to order some food with your drink. In Utah, restaurants may only serve alcoholic beverages with food. Customers don't have to order food each time they buy another drink. The beer sold in grocery stores and gas stations, and tap beer is a bit weaker in Utah, limited to 3.2% alcohol content by weight (4.0% by volume), about 0.5% less than a typical American domestic beer. You can buy full-strength beer, along with liquor and wine, in a state-operated liquor store. Please remember to tip your servers and drink responsibly! The Utah State Liquor Store in Springdale is located inside the Switchback.

Popular Zion Hikes

Warning: These hikes are *very* popular and often overcrowded. While they are well worth doing, expect them to be a little congested.

If you are feeling up to some of the more difficult hikes, try some of these popular hikes.

Angels Landing via West Rim Trail

Possibly the most popular hike in Zion, Angels Landing takes around four hours to complete and covers just under 5 1/2 miles. As you work your way up the 1,488-foot change in elevation, you'll want to look out for long drop-offs. This hike is not for young children or people with a fear of heights. Be sure to enjoy, but be careful along the last section of the hike, which is a steep, narrow ridge to the summit. The hike starts at The Grotto.

Hidden Canyon Trail

The Hidden Canyon Trail follows along a cliff face to the mouth of a narrow canyon.

Look out for long drop-offs during the 850-foot change in elevation. The hike should take around three hours and is just under 2 1/2 miles. You'll find the trailhead at Weeping Rock.

Observation Point via East Rim Trail

This hike climbs through Echo Canyon to a viewpoint of Zion Canyon and offers access to Cable Mountain, Deertrap, and East Mesa trails. Plan for at least half of a day as this hike takes around five hours to complete and stretches over 8 miles. The 2,148-foot change in elevation from start to finish has

long drop-offs, so be careful. Like Hidden Canyon Trail, this hike starts at Weeping Rock.

The Narrows via Riverside Walk

A full-day hike at 8 hours, the Narrows can pose extra dangers depending on the weather. High water levels can prevent access to the Narrows, so be sure to check with the visitor center before beginning this 9 1/2-mile hike. You'll start this hike at Temple of Sinawava.

If you are looking for something more moderate, try some of these mid-range hikes.

Watchman Trail

Starting at the Zion Canyon Visitor Center, this hike takes about two hours and covers just under 3 miles. The 368-foot elevation has some minor drop-offs and ends at a view point for Tower of the Virgin, lower Zion Canyon, and Springdale.

Upper Emerald Pool Trail

Starting at Zion Lodge, this is a shorter trail covering one mile in about an hour. You will rise 200-feet in elevation, and there are minor drop-offs.

Kayenta Trail

This two-hour hike starts at the Grotto and goes for two miles. You'll gain 150 feet in elevation, and the trail does have long drop-offs. This unpaved climb connects the Grotto to the Emerald Pools trails.

Canyon Overlook Trail

Starting at Zion-Mt. Carmel Highway, this one-hour hike provides a 163-foot gain

in elevation over the course of a mile. This rocky and uneven trail ends at a viewpoint for Pine Creek Canyon and lower Zion Canyon. While this trail is mostly fenced, there are long drop-offs.

Those looking for something less strenuous should check out these easy hikes.

Pa'rus Trail

Starting at the Zion Canyon Visitor Center, this two-hour hike covers 3 1/2 miles and rises 50 feet in elevation. A paved trail that follows the Virgin River from the South Campground to Canyon Junction, Pa'rus Trail is wheelchair accessible and is open to both bicycles and dogs.

Archeology Trail

Also starting at the Zion Canyon Visitor Center, this short half-hour hike covers just under half a mile and rises 80 feet in elevation, making it a short but steep trail. This trail offers trailside exhibits and views of several prehistoric buildings.

Lower Emerald Pool Trail

This paved trail leads to the Lower Emerald Pool and waterfalls. It also connects to the Middle Emerald Pools Trail. It should take about an hour and covers just over one mile with 69 feet in elevation gain.

Grotto Trail

Starting at Zion Lodge or the Grotto, this trail connects the two locations and can be combined with the Middle Emerald Pools and Kayenta trails to create a 2 1/2-mile loop. The non-loop version should take about 30 minutes and rises 35 feet over one mile.

Weeping Rock Trail

A short but steep hike, the Weeping Rock Trail offers trailside exhibits. This paved trail ends at a rock alcove with dripping springs. It rises 98 feet over just under a half mile. It can be completed in about 30 minutes.

Gifford Canyon

By Bo Beck

Zion National Park hiking adventures are beautiful and various, and Gifford Canyon only adds to it with its breathtaking scenery. Gifford Canyon offers a nice stroll through a sandy wash and is very charming when water is running. This hike is nearly 3 miles long and will take about 2 hours to finish. Though it is not an official trail, it is a pretty moderate hike.

To start this hike, park in the lot located immediately east of the Zion/Mt. Carmel Tunnel. The trail begins at the backside of the restrooms at the back of the parking lot. There will be a steep, sandy path to climb down before you enter Pine Creek slot. Follow the path upstream for almost seventy-five feet, and look for a 15-foot wall of slickrock. You can scramble up the rock or look for the beaten path on the backside of the rock.

On top of this wall is a narrow dirt path that is crowded by rock and vegetation. It winds around the mountain to a dead end with a beautiful view of the mountain where the Canyon Overlook Trail is located, opposite is Gifford Canyon.

The path will lead past stone bridge and to another minor slickrock climb. Evidence of flash flooding is found in many places along the path. At the end of the canyon, there is a circle of cliffs preventing

further exploration without climbing up the sandstone.

Northgate Peaks

By Don Gilman

The Northgate Peaks trail in the Kolob Terrace section of Zion National Park is an amazing trail with spectacular views. The trail itself is nearly flat, making it a perfect hike for families. The payoff at the end is the vistas of the twin Northgate Peaks and the North Guardian Angel. Added possibilities are ascents of any of the peaks, including the technical route up the northeast ridge of North Guardian Angel.

To reach the Northgate Peaks trailhead, take State Route 9 to the town of Virgin. Turn left onto Kolob Terrace Road. Drive for 15.7 miles through increasingly spectacular country until the short spur road (on the right) for the Wildcat Trailhead is reached. Drive a few hundred feet to the large parking area.

The trail heads east across grassy plains and stands of Ponderosa Pine with dynamite views of the towering Pine Valley Peak to the west. Soon the trail will be fully in the forest, with limited

views. After 0.9 miles, the junction with the Hop Valley trail is reached. Continue east, and 0.1 miles further, the junction with the Northgate Peaks Trail is reached. Head south on this trail for another 1.1 miles until the end of the official trail is reached at a rocky basalt bluff with epic views of the Northgate Peaks to the east and west and of North Guardian Angel to the south.

For families with young children, this makes an excellent turnaround spot. For advanced climbers, North Guardian Angel and the Northgate Peaks await.

Southern Utah State & National Parks

ANASAZI STATE PARK MUSEUM - This ancient Indian village in the heart of Utah's canyon country was one of the largest Anasazi communities west of the Colorado River. The site is believed to have been occupied from A.D. 1050 to 1200. The village remains largely unexcavated, but many artifacts have been uncovered and are on display in the newly remodeled museum. Anasazi State Park is in the picturesque town of Boulder on State Route 12. Group and individual picnic areas are available. There is no camping. (435) 335-7308.

BAKER - Baker Reservoir is a small lake on the Santa Clara River four miles north of Veyo on Utah State Route 18. It is a 63-acre lake with an average depth of about 20 feet. Many people come to the reservoir to camp at one of its 10 campsites and to fish. The reservoir is stocked with rainbow trout and contains brown trout, green sunfish, crayfish, reidside shiner, and mountain sucker. It has picnic areas and vault toilets. There is a fee for visiting the reservoir and no boat ramp.

BRYCE CANYON - Bryce Canyon National Park is a scientist's laboratory and a child's playground. Because Bryce transcends 2,000 feet of elevation, the park exists in three distinct climatic zones: spruce/fir forest, ponderosa pine forest and piñon pine/juniper forest. This diversity of habitat provides for high biodiversity. Here at Bryce, you can enjoy over 100 species of birds, dozens of mammals, and more than a thousand plant species. (435) 834-5322.

CEDAR BREAKS - Sitting at over 10,000 feet and looking down into a half-mile deep geologic amphitheater. Come wander among timeless bristlecone pines, stand in lush meadows of wildflowers, ponder crystal-clear night skies and experience the richness of our subalpine forest. Just four miles off Utah Highway 148, you'll find the Cedar Breaks National Monument parking lot.

CORAL PINK SAND DUNES - At an elevation of 6,000 feet and 12 paved miles off U.S. Highway 89 near Kanab, this park provides a fantastic setting for camping, hiking, OHV riding or just playing in the sand. A 265-acre conservation area prohibits motorized vehicles in order to protect the Coral Pink beetle (found nowhere else in the world) and its habitat. The mule deer, jackrabbit, kit fox, coyote, and many small rodents also make the park their home. (435) 648-2800.

DEAD HORSE POINT - Dead Horse Point State Park is perhaps Utah's most spectacular state park. Dead Horse Point is a promontory of stone surrounded by steep cliffs near Moab. The overlook at Dead Horse Point is 6,000 feet above sea level. Two-thousand feet below, the Colorado River winds its way from the continental divide in Colorado to the Gulf of California, a distance of 1,400 miles. (435) 259-2614.

DINOSAUR TRACKS - The St. George Dinosaur Discovery Site at Johnson Farm is home to exceptionally well-preserved dinosaur tracks, some displaying skin impressions. These tracks, along with hundreds of fossil fish, plants, rare dinosaur remains, invertebrates' traces, and important sedimentary structures, show evidence that this site was produced along the western edge of a large, Early Jurassic (age between 195-198 million years ago) freshwater lake. (435) 574-3466.

ENTERPRISE - There are two reservoirs in the Bull Valley Mountains 10 miles southwest of the town of Enterprise. The main one is Upper Enterprise Reservoir, about 250 acres with an average depth of about 50 feet, while Lower Enterprise Reservoir is 79 acres. Many come to the reservoir to camp, fish hike, and boat. The Honeycomb Campground is situated between both lakes and has 21 campsites and flush toilets. There is a boat ramp on Upper Enterprise Reservoir and several fishing areas around both reservoirs. Fishermen will find rainbow trout and smallmouth bass here. Fees are charged.

FOUR CORNERS - The Four Corners is the only place in the U.S. where four states come together at one place: Arizona, New Mexico, Utah and Colorado. Here, a person can put each of their hands and feet in four states at the same time. The unique landmark is on Navajo Nation land and is open for visits from the public. West of U.S. Highway 160, 40 miles southwest of Cortez, Colo. (928) 871-6436.

GRAND CANYON - A World Heritage Site encompassing 1,218,375 acres on the Colorado Plateau in northwestern Arizona. The land is semi-arid and consists of raised plateaus and structural basins typical of the southwestern United States. (928) 638-7888.

GRAND STAIRCASE-ESCALANTE NATIONAL MONUMENT - Nearly 1.9 million acres of America's public lands and located between Bryce Canyon and Glen Canyon Recreational Areas. From its namesake Grand Staircase of cliffs and terraces across the rugged Kaiparowits Plateau to the beauty of the Escalante River Canyons, the Monument's size, resources, and isolated location provide amazing opportunities.

GUNLOCK - In scenic red rock country, 15 miles northwest of St. George, lies the 240-acre Gunlock State Park and Reservoir where year-round boating, water sports, and quality fishing for bass and catfish attract visitors. Facilities include boat launching ramp and pit privies. (435) 628-2255.

LAKE MEAD - Lake Mead National Recreation Area offers a wealth of things to do and places to go year-round. Its huge lakes cater to boaters, swimmers, sunbathers and fishermen, while its desert rewards hikers, wildlife photographers, and roadside sightseers.

It is also home to thousands of desert plants and animals adapted to survive in an extreme place where rain is scarce and temperatures soar. (702) 293-8990.

LAKE POWELL - In Glen Canyon National Recreation Area is one of the world's great places for houseboating! The 186-mile-long lake offers sandy beaches, cool blue water, and exceptional red-rock scenery. It is excellent for boating, skiing, kayaking, and fishing. Boat or hike to Rainbow Bridge, or explore any of its many canyons or sand dunes. (928) 608-6200.

PINE VALLEY - Pine Valley Reservoir is a beautiful place for fishermen to fish brook trout and rainbow trout. The reservoir is near the Pine Valley Recreation Complex, which has over 150 campsites with picnic and restroom facilities. This area is greener than most other parts of southwestern Utah with pine and piñon trees, and many come to enjoy camping and hiking. It is west of the town of Central. (435) 652-3100.

QUAIL LAKE - Quail Creek State Park provides excellent year-round camping, picnicking, boating, and trout and bass fishing in sunny southwest Utah. The park is three miles east of the Interstate 15 Hurricane exit on Utah State Route 9. Facilities include 23 campsites, modern restrooms, a fish cleaning station, and two covered group-use pavilions. (435) 879-2378.

SAND HOLLOW - Looking to fish? Swim? Ride your ATV in the sand? Do all that and more at Sand Hollow

State Park, located between St. George and Hurricane. Bring your boat, a picnic, and some fishing gear for a fun day on the reservoir, or watch the kids swim while you relax on the beach. Load up your RV or tent and settle in for a nice campout, or ride your ATV in the dunes of Sand Mountain. (435) 680-0715.

SNOW CANYON - Named after early Utah leaders Lorenzo and Erastus Snow, Snow Canyon State Park begins just outside of Ivins and stretches northward. Spectacular scenery includes towering red and white sandstone cliffs, black lava formations, and even a waterfall that appears during heavy rain. Snow Canyon offers 16 miles of hiking trails, beautiful sand dunes, technical rock climbing sites, horseback riding, year-round camping, nature studies, and wildlife viewing. This park is a favorite for locals and visitors alike. (435) 628-2255.

ZION - With breathtaking views, numerous hiking attractions of all difficulty levels and some of the most spectacular scenery on earth, Zion National Park and its surrounding areas attract thousands of visitors every year. This natural wonder is not only a mecca of recreational activity, but Zion and nearby Springdale host numerous cultural activities, as well. There's something for everyone in Zion - whether you're looking for a challenging hike or a fun excursion for the family. (435) 772-3256.
