Top Things To Do In Zion

Get some great hiking in

Zion National Park is known for its scenic landscape and unrivaled hikes. No matter your fitness level, there are hikes here for you. Please go to ZionGuide.com to see the details on many area hikes.

Spend a day in Springdale

Springdale is unique to our national park system in that it is almost completely surrounded by Zion National Park. So when you're in Springdale, you're right in the middle of Zion Canyon.

Catch an event

Not only does Zion Brew Pub have live music every Saturday, the property also hosts a handful of events throughout the year, as do the Bit and Spur restaurant, Tanner Amphitheater, Bumbleberry Inn, Wildcat Willies, and several other locations.

Try a guided tour

Jeep, helicopter, ATV, canyoneering, horseback riding, or mountain biking, guided tours are all available. Many of these tours take you outside Zion National Park boundaries and give you a unique perspective on Zion's canyons and plateaus from surrounding areas of southern Utah. Check out ZionGuide.com for listings and ads.

Visit the east side of Zion and spend a day in Kanab

The east side of Zion is generally less crowded, making hikes more accessible and private. These are some of the most enjoyable hikes in the canyon. You can spot wildlife you won't see elsewhere in the canyon. The city of Kanab, situated east of the canyon, is full of unique attractions, like the Little Hollywood Movie Museum and the Best Friends Animal Sanctuary.

Take lots of pictures, leave only footprints

Be sure you've got extra charged batteries, smartphone cables, and memory cards so you can capture all the magic of Zion National Park. Additionally, there are numerous photo tour and guiding companies to assist you. Thank you for visiting the Zion National Park area.

Safety Tips For Zion

Emergencies

For 24-hour emergency response, call 911 or (435) 772-3322. The Zion Canyon Medical Clinic is located in Springdale near the south entrance to the park. For hours, please call (435) 772-3226. Other medical clinics are located in Hurricane. The nearest hospitals are in St. George, Cedar City, and Kanab.

Hydrate and use refillable water bottles

It is easy to get dehydrated while hiking and walking in the desert, so pack along extra water, and be sure to take rest and water breaks on long hikes. There are a number of places to refill your water bottles in Zion National Park including the visitors' center and Zion Lodge as well as a new hydration station at the Springdale bus stop in front of The Bumbleberry Inn and Zion Canyon Brew Pub.

Be cautious near steep cliffs

Falls from cliffs on trails can result in death. Loose sand or pebbles on stone are very slippery. Be careful of edges when using cameras or binoculars. Never throw or roll rocks because there may be hikers below you. Stay on the trail. Stay back from cliff edges. Observe posted warnings. Please watch children.

Watch for flash floods

All narrow canyons are potentially hazardous. Flash floods, often caused by storms miles away, are a real danger and can be life threatening. You are assuming a risk when entering a narrow canyon. Your safety is your responsibility.

Tips To Minimize Your Impact

Pack it in, pack it out & use recycling bins

Each month, Zion National Park pays many thousands of dollars to haul away waste collected from garbage cans and recycling bins. Your experience and that of everyone who visits Zion Canyon can be improved by never littering and making sure you pick up any trash you see along the way. Recycling bins are placed strategically throughout Zion Park, and it is highly encouraged for everyone to use them.

Please stay on the marked trails

Hiking off trails can lead to loss of vegetation, soil compaction, erosion, and unsightly scars on the landscape. Remember, if you bring it in, please pack it out.

Go before you go

It is always a good idea to use the restroom before you begin a hike since facilities are limited to select locations. If you do need to take care of your business, please pack it back out.

Be respectful to the wildlife

Feeding, harming, or capturing wild animals is illegal and can cause injury or death to the animal. Animals can become aggressive beggars when fed.

Please leave it how you found it

It is illegal to remove anything from Zion National Park, including flowers, rocks, or anything else that you might find. Do not write or carve on natural surfaces.

General Tips For Zion

Park in Springdale and ride the shuttle

If you are entering Zion National Park through the South entrance it's highly recommended that you park near one of the furthest shuttle stops in Springdale to help minimize traffic congestion in Springdale. The shuttle stops are numbered 1 through 9, with 9 being the final stop at Majestic View Lodge. You can almost certainly avoid traffic and assure your seat on a shuttle if you park near any of the 9 bus stops in Springdale where there's paid parking on the sides of State Route 9. See our parking and shuttle info for full shuttle schedule, list of stops, and a list of the paid parking lots. Parking in one of the parking lots is generally slightly cheaper than the paid on-street parking. Springdale's hotels also offer free parking to their guests.

To avoid the crowds, go early or later in the day

Often during peak times, the park runs at capacity and has more people than the shuttle system and trails can comfortably accommodate. Consider getting up extra early or trekking out midday after the initial rush has flooded in. You'll still want to ride the shuttle.

A note about pets

Leashed pets may be walked on the Pa'rus Trail. However, pets are not permitted on any other trails, on shuttles, in public buildings, or in the wilderness. Pets must be under physical control on a leash less than six feet long at all times. The interior temperature of a vehicle can quickly warm to dangerous levels. Avoid leaving animals in vehicles. Boarding kennels are available in Rockville, Kanab, Hurricane, St. George, and Cedar City.

Tips To Maximize Enjoyment

Go on a less crowded hike

The most visited 10 to 12 hikes in Zion National Park have a lot of competition. If you'd rather not feel like you're in the line at a theme park, consider seeking out a less traveled path. Check out our newest features, Popular Zion Hikes and Less-Traveled Zion Hikes.

Consider coming back again in the low season

Starting in the fall, the number of visitors to Zion Canyon starts to dwindle, and by December it's significantly less than in the heat of the summer. It is simply a different experience to see Zion in the winter with the snow-capped monoliths. Most hikes are still accessible and are less crowded. You can also drive your car to the Temple of Sinawava parking lot. The shuttles stop running by November and don't start back until March.

Check out Kolob Canyons and Kolob Terrace Road

With gorgeous open spaces and plenty of dirt roads to explore, Kolob Terrace Road is one of Zion's best kept secrets. You'll notice the air getting cooler as you gain elevation, and you'll find plenty of beautiful views worth stopping at for a quick photo op. The Kolob Terrace Road turnoff is in Virgin, so watch for signs. However, portions of the Kolob Canyon District of Zion National Park (located at Exit 40 on Interstate 15) are inaccessible due to construction. Kolob Canyon Road, the visitor center, and the parking lot off of I-15 will remain closed to through November. The Taylor Creek Trail, the Timber Creek Overlook Trail, the Lee Pass Trailhead, and other areas accessible via Kolob Canyons Road will not be available to the public.

Less-Traveled Zion Hikes

Hiking is popular in Zion National Park, and popular hikes are seeing record visitation at peak days and times. For a less congested trek, consider these less-traveled hikes.

Northgate Peaks

By Don Gilman

The Northgate Peaks trail in the Kolob Terrace section of Zion National Park is an amazing trail with spectacular views. The trail itself is nearly flat, making it a perfect hike for families.

To reach the Northgate Peaks trailhead, take State Route 9 to the town of Virgin. Turn left onto Kolob Terrace Road. Drive for 15.7 miles through increasingly spectacular country until the short spur road (on the right) for the Wildcat Trailhead is reached. Drive a few hundred feet to the large parking area.

The trail heads east across grassy plains and stands of Ponderosa Pine with dynamite views of the towering Pine Valley Peak to the west. Soon the trail will be fully in the forest with limited views. After 0.9 miles, the junction

with the Hop Valley trail is reached. Continue east, and 0.1 miles further, the junction with the Northgate Peaks Trail is reached. Head south on this trail for another 1.1 miles until the end of the official trail is reached at a rocky basalt bluff with epic views of the Northgate Peaks to the east and west and of North Guardian Angel to the south.

For families with young children, this makes an excellent turnaround spot.

Gifford Canyon

By Bo Beck

Gifford Canyon offers a nice stroll through a sandy wash and is very charming when water is running. This hike is nearly 3 miles long and will take about 2 hours to finish.

To start this hike, park in the lot located immediately east of the Zion/Mt. Carmel Tunnel. The trail begins at the backside of the restrooms at the back of the parking lot. There will be a steep, sandy path to climb down before you enter Pine Creek slot. Follow the path upstream for almost 75 feet, and look for

a 15-foot wall of slickrock. You can scramble up the rock or look for the beaten path on the backside of the rock.

On top of this wall is a narrow dirt path that is crowded by rock and vegetation. It winds around the mountain to a dead end with a beautiful view of the mountain where the Canyon Overlook Trail is located, opposite is Gifford Canyon.

The path will lead past stone bridge and to another minor slickrock climb. At the end of the canyon, there is a circle of cliffs preventing further exploration without climbing up the sandstone.

Chinle Trail

By Greta Hyland

Chinle Trail is an off-the-beaten-path trail located in the lower elevation west desert wilderness area, offering wide vistas, desert landscapes, and a reprieve from the more touristy trails in the park. Though it's a long trail, it's a mellow hike that can be cut off whenever you feel like turning around. It's a great hike with kids because it's not treacherous, slippery, or steep. Avoid it after snow or rain as it will be muddy.

The Chinle Trailhead starts outside of Zion, south of Springdale. If you are coming from St. George, the turn is about a block before you hit the apple orchard and stand as you leave Rockville off of State Route 9. There is a parking area off the right of Anasazi Way near the Anasazi Plateau housing development. If you hit houses, you missed it. And yes, the trail starts below the housing development and takes you right through it. Don't worry though, it doesn't last long.

Shortly after you get through the housing development, you will hit a sign letting you know you are entering the Zion Wilderness. At this point, you can breathe a sigh of relief, because you have gotten away from civilization to enjoy nature, and chances are that you won't see another soul until you return to your car.

Many Pools

By Candice Reed

The route is moderate with a gentle uphill climb to an alcove, but plan for a strenuous hike if you continue to the East Rim.

The route begins right off the highway. Drive to the pullout near the second drainage on the north side of the State Route 9, about 0.8 miles after the smaller tunnel. Walk carefully along the road about 150 yards and drop down into a sandy bowl on the north side of SR-9. There is a trail for a short distance, and then the sand turns into large flat stones that you can pick and choose to walk on, depending on your sense of balance. A short distance off the road, filled pools carved into the rocks appear. Ponderosa Pines and Juniper trees twisted by the wind are a good backdrop to the reds and whites ribboned through the rocks.

Hidden Canyon

By Bo Beck and Tanya Milligan

The Hidden Canyon Trail was closed Aug. 28 due to rockfall. Please check with the Park Service before attempting this trail.

Hidden Canyon features steep ascents, narrow foot paths, and switchbacks on a narrow cliffside with exposure at high elevations. Some parts have chains to use for assistance. Be cautious near slippery sandstone areas with steep dropoffs. Expect full sun in most places after the early morning. Once you are into the canyon, it is shady and surprisingly cool.

This impressive 2.2-mile roundtrip hike begins at the same busy trailhead as Weeping Rock, Observation Point, and the East Rim. Begin at the Weeping Rock Trailhead, which quickly splits to the left. The trail you want to follow bears right toward the East Rim, Observation Point, and Hidden Canyon. Watch for a sign that indicates the direction to Hidden Canyon.

A well-traveled path takes trekkers between sheer sandstone walls rising up hundreds of feet, made up by some of Zion's

most famous landmarks: Cable Mountain and the Great White Throne. Once beyond the end of the actual trail and into the slot canyon, look for small sandstone caves and a 20-foot long arch. Be careful to only explore as far as you know is safe for you! Few should ever venture past the freestanding arch.

Sandstone pools at the end of this hike are a favorite spot of the delightful and boisterous canyon tree frogs. Look for the tiny gray creatures near the water, and listen for their loud trilling. Past the pools is the end of the Hidden Canyon Trail.

Overlook Trail

By Charlotte Emett

The Overlook Trail is a short, beautiful hike located on the east side of Zion National Park, just outside the Mt. Carmel tunnel. The hike is about one mile roundtrip, and it usually takes people about an hour. It is definitely one of the easier hikes in Zion, but it's still considered a moderate-level hike due to a few exposed areas and sandstone pathways, which can be slippery.

The Overlook trailhead lies right outside of the Mt. Carmel tunnel by the ranger booth. Exit the tunnel too quickly and you'll miss it.

It begins with a staircase carved out of the sandstone leading up and away from the road. Soon, you'll be walking along the side of the mountain and looking down into a thin crevice known as Pine Creek Canyon. At about halfway, you'll walk across a bridge that wraps around a corner and leads to an area of recessed rock wet with the moisture that caused it to erode and be filled with ferns growing out of the sandstone.

Popular Zion Hikes

Warning: These hikes are *very* popular and often overcrowded. While they are well worth doing, expect them to be a little congested.

If you are feeling up to some of the more **difficult** hikes, try some of these popular hikes.

Angels Landing via West Rim Trail

Possibly the most popular hike in Zion, Angels Landing takes around four hours to complete and covers just under 5 1/2 miles. As you work your way up the 1,488-foot change in elevation, you'll want to look out for long drop-offs. This hike is not for young children or people with a fear of heights. Be sure to enjoy, but be careful along the last section of the hike, which is a steep, narrow ridge to the summit. The hike starts at The Grotto.

Observation Point via East Rim Trail

This hike climbs through Echo Canyon to a viewpoint of Zion Canyon and offers access to Cable Mountain, Deertrap, and East Mesa trails. Plan for at least half of a day as this hike takes around five hours to complete and stretches over 8 miles. The 2,148-foot change in elevation from start to finish has long drop-offs, so be careful. Like Hidden Canyon Trail, this hike starts at Weeping Rock.

The Narrows via Riverside Walk

A full-day hike at 8 hours, the Narrows can pose extra dangers depending on the weather. High water levels can prevent access to the Narrows, so be sure to check with the visitor center before beginning this 9 1/2-mile hike. You'll start this hike at Temple of Sinawava.

Kolob Arch via La Verkin Creek Trail

Getting to Kolob Arch via the La Verkin Creek Trail follows Timber and La Verkin creeks and connects to the trail to Kolob Arch, one of the world's largest freestanding arches. A full-day hike, it will take around 8 hours to finish the 14-fourteen mile trip. This hike starts at Kolob Canyons Road.

If you are looking for something more moderate, try some of these mid-range hikes.

Watchman Trail

Starting at the Zion Canyon Visitor Center, this hike takes about two hours and covers just under 3 miles. The 368-foot elevation has some minor drop-offs and ends at a view point for Tower of the Virgin, lower Zion Canyon, and Springdale.

Middle Emerald Pools Trail

A two-hour hike, Middle Emerald Pools has long drop-offs. The unpaved trail to the Middle Emerald Pools has loose sand and

slippery rocks. You'll cover two miles in 2 hours over the course of a 150-foot elevation gain. The hike starts at Zion Lodge.

Upper Emerald Pool Trail

Starting at Zion Lodge, this is a shorter trail covering one mile in about an hour. You will rise 200-feet in elevation, and there are minor drop-offs.

Kayenta Trail

This two-hour hike starts at the Grotto and goes for two miles. You'll gain 150 feet in elevation, and the trail does have long drop-offs. This unpaved climb connects the Grotto to the Emerald Pools trails.

Canyon Overlook Trail

Starting at Zion-Mt. Carmel Highway, this one-hour hike provides a 163-foot gain in elevation over the course of a mile. This rocky and uneven trail ends at a viewpoint for Pine Creek Canyon and lower Zion Canyon. While this trail is mostly fenced, there are long drop-offs.

Taylor Creek Trail

You'll begin this five-mile hike at Kolob Canyons Road. It should take around 4 hours to complete and provides a 450-foot gain in elevation. Larger groups may need to split up, as this hike limits 12 people to a group. It follows the Middle Fork of Taylor Creek past two homestead cabins to Double Arch Alcove.

Timber Creek Overlook Trail

A quick hike, the Timber Creek Overlook Trail covers just one mile and 100 feet in elevation gain. It can be done in about 30 minutes. The trail follows a ridge to a small peak with views of Timber Creek, Kolob Terrace, and Pine Valley Mountains.

Those looking for something less strenuous should check out these easy hikes.

Pa'rus Trail

Starting at the Zion Canyon Visitor Center, this two-hour hike covers 3 1/2 miles and rises 50 feet in elevation. A paved trail that follows the Virgin River from the South Campground to Canyon Junction, Pa'rus Trail is wheelchair accessible and is open to both bicycles and dogs.

Archeology Trail

Also starting at the Zion Canyon Visitor Center, this short half-hour hike covers just under half a mile and rises 80 feet in elevation, making it a short but steep trail. This trail offers trailside exhibits and views of several

prehistoric buildings.

GUIDE TO UTAH'S LIQUOR LAWS

If you order an alcoholic drink at the restaurant bar, don't be surprised when the bartender asks you to order some food with your drink. In Utah, restaurants may only serve alcoholic beverages with food. Customers don't have to order food each time they buy another drink. The beer sold in grocery stores and gas stations, and tap beer is a bit weaker in Utah, limited to 3.2% alcohol content by weight (4.0% by volume), about 0.5% less than a typical American domestic beer. You can buy full-strength beer, along with liquor and wine, in a state-operated liquor store. Please remember to tip your servers and drink responsibly! The Utah State Liquor Store in Springdale is located inside the Switchback.

GET CARRIED AWAY AT BALLOONS AND TUNES IN KANAB

By Danielle Ramsay

Balloons and Tunes Roundup is back for its fifth year Feb. 15-17. With close to 50 balloonists taking flight over the red rocks of southern Utah and 12 bands rocking out for the chance of winning some serious cash and bragging rights, it's sure to be a fun-filled weekend in Kanab.

The balloons will take flight each morning, weather permitting, and can be seen from all over Kanab. Battle of the Bands will take place on Main Street both Friday and Saturday and is free to the public. In addition to the bands, there will be a street fair with vendors, food

trucks, and games for the kids. A balloon glow will light up Center Street Saturday evening along with the wishing lantern

launch on Main Street.

Kanab typically has mild winter weather in February, making it a great time to host Balloons and Tunes. The Kane County Office of Tourism and The Events & Volunteer Center work hard to bring visitors to the area during the slower winter months, and this event has been extremely successful in doing just that. We look forward to this event all year long. It is a great boost for our local economy, and we get to do what we do best: host visitors!

More information on the event can be found at balloonsandtunesroundup.com and on Facebook.

FOLK MUSICIAN TOM RUSSELL PERFORMS IN SPRINGDALE, KAYENTA

By Joyce Hamilton

This February, Tom Russell will take his audiences back to the authentic American West, singing many of his hit folk and cowboy songs and telling stories of Americana Feb. 8 at 7 p.m. at the Canyon Community Center in Springdale and Feb. 9 at 7 p.m. at the Center for the Arts at Kayenta in Ivins.

Russell is a prolific singer, songwriter, essayist, and author. His music remains relevant and exciting, earning him new fans from every generation. Music legends such as Johnny Cash, k.d. lang, Jackson Browne, and Bonnie Raitt have recorded Russell's songs. Bruce Springsteen and Bob Dylan have called his fabled "Gallo del Cielo" one of their favorites. In all, Russell has

recorded 35 highly acclaimed records and published six books, which include his art, his songs, and his essays on the West.

In March 2019, Russell's record "October in the Railroad Earth" will drop. It features original songs including the title song from the Irish film "Small Engine Repair." Russell describes the album's vibe as "Jack Kerouac meets Johnny Cash ... in Bakersfield."

In 2018, he appeared on the three-record "Roots and Branches" album put out by Applesseed Records. Russell appears alongside a new track by Bruce Springsteen as well as tracks by Pete Seeger, Joan Baez, Donovan, Tom Morello, Jesse Winchester, Jackson Browne, and Bonnie Raitt.

In 2017, Russell released two records: "Folk Hotel," with 12 new songs, and the Ian

and Sylvia tribute "Play One More." Both records have received worldwide acclaim.

Russell wrote an essay on Johnny Cash that earned him the 2015 ASCAP Deems Taylor Award for excellence in music journalism.

An artist reception will follow the performance where Russell will showcase and sell his art. There is no additional cost to attend. Refreshments will be served.

The Canyon Community Center is located at 126 Lion Blvd. in Springdale. The Center for the Arts at Kayenta is located at 881 Coyote Gulch Ct. in Ivins. Admission to Russell's Springdale performance is \$10 per Z-Arts member and \$15 per non-member. For tickets or more information on these upcoming shows, please visit zarts.org and kayentaarts.com.

Z-ARTS EXHIBITS THE PHOTOGRAPHY OF JOHN WHITWORTH

By Joyce Hamilton

The Zion Canyon Arts & Humanities Council is pleased to host John Whitworth's photography in the Canyon Community Center gallery in Springdale. The exhibit will remain on display through Jan. 29.

The son of a national park ranger, Whitworth grew up living in and around some of our country's greatest treasures. As one whose mind wanders, it has changed his life, providing an escape from the expected and a motivational outlet that has proven irreplaceable, pushing him to seek out adventure and encouraging

a drive to experience freedom under his own interpretation. Zion National Park continues to be one of the driving forces behind his work.

The Canyon Community Center is located at 126 Lion Blvd. in Springdale. It is open to the public Mondays through Thursdays from 10 a.m. to 7 p.m., Fridays from 10 a.m. to 5 p.m., and Saturdays from noon to 5 p.m. The gallery is closed on Sundays and all state and federal holidays.

To learn more about this gallery show, please visit zarts.org. If you miss the gallery show, you can visit Whitworth's website at johnwhitworthphotography.com.

YOUR WINTER WONDERLAND AWAITS.

If you think that places like Zion, Bryce, Cedar Breaks, Coral Pink Sand Dunes, and Grand Staircase are spectacular in the summer, you should see them in the winter! Fewer people visit here in the winter months, so it's not uncommon to have even the most popular destinations all to yourself. And when the day's done, you'll find plenty of dining and lodging options east of Zion in places like Zion Mountain Ranch, Zion Ponderosa Resort, Kanab, and the small towns along Scenic Highway 89.
